Letter from A.M.A.C. Galletti Esq., M.A., I.C.S., Collector o Bellary, No. Ref. C. 6957/30, dated 9th December 1930.

Establishment - Temporary - Bellary and Siruguppa taluks - loans work - retention of establishment-proposals.

In G.O.No. 1580 Misc. dated 20-8-30, Government sanctioned the employment of the following establishment for a period of 3 months for loans work in Bellary and Siruguppa taluks.

Bellary taluk. Four clerks (two of whom to work as Revenue Inspectors) and two peons.

Siruguppa taluk Two clerks (one of whom to work as Revenue Inspector) and one peon.

The work turned out up to the end of 15th November 30 in the two taluks is noted below.

	Bellary	Siruguppa.
1. No. of cases in which action is required	5483	2741
2. No. of cases enquired into by the Revenue Inspectors.	1342	657
3. No. of cases in which revised loan orders have been executed.	373	149

About 24% of the enquiries have been finished in both the taluks. Revised loan orders have been issued in only 6% of the cases in Siruguppa taluk and 7% in Bellary taluk; this work has been delayed in both taluks for want of forms. The forms have been since received from the Superintendent, Government Press, Madras, and are being sent to the Tahsildars. On an average 150 to 200 cases are being enquired into by each Revenue Inspector every fortnight. Now that the staff has gained experience, it may be expected to turn ou 250.300 cases a fortnight, but even at this rate, 4 months more will be required to complete the work.

2. The work ought to be completed before the 10th of March as the Treasury Deputy Collector will have to issue demand lists to the Tahsildars for collection. Enquiry will have to be made in the village regarding any alienations made by the borrowers since the grant of th loan and orders have to be passed by the Tahsildars after perusing the records of enquiry in each case before revised loan orders are issued. The difficulty lies in securing the presence of the parties, and there are also complications involved in dealing with land under multiple mortgages. When once an enquiry is started all sorts

of objections are made which prolong the enquiry. The work involves constant touring. The whole set of loans registers, and records have to be carried from camp to camp. As there is no question of payment of money now, the parties do not generally turn up. Further this is the busy season for the ryots who are engaged in the harvest. It is not possible for the taluk Tahsildars to attend to the work and supervise it properly in addition to their own regular work. Azmoish is on and there is land revenue collection, jamabandi and census work. If the Tahsildars are burdened with this additional loans work, it will certainly fall into arrears. Bellary is the heaviest taluk in the District. I submit that a special Deputy Tahsildar may be appointed for a period of 3 months, with two peons to work under him. The period of sanction of the existing staff will expire by about the middle of this month. I propose to keep it on in anticipation of the Board's approval. I request that sanction may be obtained for the retention of the existing staff for a further period of 3 months, and for the entertainment of a Deputy Tahsildar with two peons to supervise the staff. He will supervise the work in both taluks with headquarters at Bellary. I request the favour of orders by wire.
